

Commerce Wing of this mission looks after the bilateral trade issues between Bangladesh and United States. The wing provides all possible supports to the exporters as well as importers. Responsibilities of the wing include:

- (i) Provide trade facilitation;
- (ii) Help resolving trade disputes between the exporters and importers;
- (iii) Work in getting market access for Bangladeshi products in the US market;
- (iv) Inform the Bangladesh Government about the updates on US trade and commercial policies and issues;
- (v) Explore market potential for export of Bangladesh products in USA and recommend to the appropriate stakeholders for necessary action;
- (vi) Inform any relevant trade information to the concerned stakeholders;

Commerce Wing is represented by the following officials:
