Charge d’Affairs, Mr. Muhammad Abdul Muhith formally inaugurated a week-long solo painting exhibition: City of Memories by internationally acclaimed Bangladeshi Painter Kazi Salahuddin Ahmed on Monday, August 04, 2014 at the Bangabandhu Auditorium of the Embassy of Bangladesh in Washington, DC. This has been one of Salahuddin's many international exposures, and the first of its kind in the capital of the USA. In his two decades of outstanding career, this accomplished painter showcased his artworks in many countries including Australia, Bangladesh, China, South Korea, India, Japan, Nepal, Pakistan, Sri Lanka, the United Kingdom, and different parts of the United States.

Welcoming Kazi Salahuddin, CDA Muhith in his remarks said that Salahuddin’s works are extraordinary for unique style in form, composition, color and structure, thus creating an exceptionally uncommon domain of his own among the contemporary painters in Bangladesh. Referring to the glorious history of Bangladeshi art and culture, CDA Muhith deeply appreciated the new generation of Bangladeshi painters for coming up with new ideas, innovation and diversities in their works. Contextualizing the universality of the language of art and culture, he also highlighted on the importance of building cultural bridges among nations transcending geographic barriers and enhancing people to people level communications.

Kazi Salahuddin in his remarks said that “City of Memories” is about his own personal experience with old Dhaka, the part of the capital of Bangladesh that proudly celebrates its century’s old cultural heritage, traditions, and the remarkable way of life of its people.

The inauguration reception of the exhibition drew a good number of spectators including the Ambassador of Malaysia in the USA and members of diplomatic corps, State Department representatives, former Peace Corps members, art critics, representatives from cultural organizations and members of expatriate Bangladesh community.

This has been part of Bangladesh Embassy’s efforts to reach out to the US nationals by showcasing Bangladeshi culture. The exhibition will remain open until Friday, 08 August 2014 from 10 AM to 5 PM.
